

BankMobile Campus ID

Combining convenience and security, Campus ID is a turnkey identification solution that helps your campus reduce costs and operational burdens.

Benefits for your college or university:

- Increased awareness of your school's program and brand
- A card that not only provides an ID solution, but also includes the comprehensive BankMobile Refund Management® Service
- Introduces an added level of security to your campus
- Priority access to an administrative help desk to support institution staff members with daily card operations
- Marketing support and tools to educate the campus community
- Dedicated project manager to lead your institution through a smooth implementation
- Reserved card design space to accommodate on-campus access/security measures (e.g., scannable barcode for use at a campus library)
- Dual mag option easily integrates with campus systems, creating cross-campus functionality in a single card

Benefits for your students:

- A card that lets students show their school pride and take advantage of student ID discounts from retailers
- An easy way to support everyday campus life and manage refunds from the institution
- With a simple "flash and show" students can easily access student-only events and programs on campus
- Access to BankMobile Vibe, a digital-only, FDIC insured non-interest bearing checking account designed specifically for students*
